# Moore Musings

Let me begin by saying thank you for asking me to be your interim pastor. My prayer is that I will love and serve you in such a way that will honor God. I also pray that my leadership will help and benefit you during this time of transition. Names are important to me, so please help me to learn your name. My goal is to be in the office on Tuesdays and Wednesdays from 9:00 to 2:00.

I would like to share a little bit of information about me and my family. My wife, Mim, and I are both from Alabama. We are HUGE Alabama football fans. We have been married for 29 years. I graduated from Samford University and from Southwestern Baptist Theological Seminary. Mim graduated from Baylor University and from South Carolina University graduate program. Mim is a full time professor at Lord Fairfax Community College. She teaches English and ESL. She also writes English textbooks for Macmillan Publishers. We have three children, Mandy, Mallory, and Murray. Mandy is in graduate school at Kansas State. Mallory is a junior at Gardner-Webb University in North Carolina. And Murray is in the seventh grade. I love to play golf and tennis, and I enjoy woodworking.

Now that school is back in session and our Wednesday dinners are back on schedule, I encourage you to participate in our Wednesday night activities. You can help with our children's ministry in AWANA, help with our youth Bible study, or participate in the adult Bible study and prayer meeting. There is a place for you, and I expect to see you on Wednesday evenings.

For September and October, I will be preaching a sermon series on "Developing Healthy Relationships." We will be looking specifically at how to cultivate and develop the fruit of the Spirit for healthy relationships. Galatians 5:22-23 will be our memory verse for this series. I look forward to our worship services during the fall, and I encourage you to invite your friends and neighbors to church with you. Many of them are just waiting for an invitation.

Here is my contact information for you to connect with me however you should choose.
